

LIPPO MALLS INDONESIA RETAIL TRUST

(Constituted in the Republic of Singapore pursuant to a Trust Deed dated 8 August 2007 (as amended))

ANNOUNCEMENT

FITCH UPGRADES LIPPO MALLS INDONESIA RETAIL TRUST'S RATING TO 'CCC'

LMIRT Management Ltd. (the "**Manager**"), the Manager of Lippo Malls Indonesia Retail Trust ("**LMIR Trust**"), wishes to announce that Fitch Ratings Singapore Pte Ltd ("**Fitch**") has upgraded LMIR Trust's Long Term Issuer Default Ratings (IDR) to 'CCC' from 'C'. Its senior unsecured notes due 2024 and 2026, issued by LMIR Trust's wholly owned subsidiary, LMIRT Capital Pte. Ltd., has also been upgraded to 'CCC' from 'C' with a recovery rating remaining at 'RR4'.

The upgrade reflects Fitch's view of LMIR Trust's improved liquidity, but still high refinancing risk following the Exchange Offer. Fitch expects that LMIR Trust will have sufficient liquidity to repay debt maturing in the next 18 months. However, LMIR Trust's cash balance is insufficient to repay the remaining unsecured notes due February 2026 and there remains high execution risks surrounding the trust's ability to use the remaining unencumbered assets to support refinancing or repayment efforts.

The Manager wishes to highlight that LMIR Trust remains in compliance with its financial covenants.

Please refer to Fitch's press release at www.fitchratings.com/.

Important Notice

The value of Units and the income derived from them may fall as well as rise. The Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This document is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units. The past performance of LMIR Trust is not necessarily indicative of the future performance of LMIR Trust.

This document may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses (including employee wages, benefits and training costs), property expenses and governmental and public policy changes. Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's view of future events.
